CAREER SUMMARY:

I'm Naimul Islam, a Frontend Web Developer with 1 year of hands-on experience. I build responsive and user-friendly websites using HTML, CSS, JavaScript, and WordPress. Experienced in building modern, mobile-friendly websites that are both visually appealing and easy to manage. Passionate about clean design and smooth user experience.

WORK EXPERIENCE:

TrustyCoder

WordPress Web Developer | SEO Executive
October 2024 - Present

At TrustyCoder, I developed and maintained fully responsive websites using HTML5, CSS3, WordPress, JavaScript, and frameworks like Tailwind CSS. I implemented effective on-page SEO strategies that significantly improved keyword rankings and boosted organic traffic. Working closely with designers and content creators, I ensured seamless user experiences across all devices. I also optimized page speed, mobile responsiveness, and cross-browser compatibility while following accessibility best practices to deliver fast, user-friendly, and search engine-optimized websites.

SKILLS:

- Frontend Web Development
- WordPress/Elementor Pro
- HTML, CSS, JavaScript
- React(learning)
